

JIN SHIN JYUTSU SAN DIEGO IS PROUD TO PRESENT

“33 Mysterious Vertebrae”

Their Contributions to Health and Happiness
August 9-11, 2024 with Wayne Hackett

This interactive, three-day class will examine the spine's 33 vertebrae and their functions. The relationship of these amazing bones to Numbers, Depths, Fingers, Planets and Astrological Signs will be studied. In addition to lecture and open conversation, students will receive morning afternoon sessions each day for a total of six sessions per student during the class.

Please join us on this journey of discovery!

Wayne Hackett

Senior Instructor

In 1977 Wayne met Mary Burmeister, who introduced him to Jin Shin Jyutsu, the art that has shaped his life and been his passion and inspiration ever since. He began teaching in 1990 and has introduced, shared, mentored and inspired thousands of students around the globe. Wayne continues his studies and travels, teaching this beautiful art with his unique talents and motivating presence. We are excited to share this experience together.
